Why she had to look so beautiful  
Why she had to pick this place?  
I hope she brought an explanation  
I hope she doesn't look my way

Cause it would be hard to say hello to her  
When she never said goodbye  
It would take every bit of... I've gained to knock it lost  
In those eyes

Oh but I can't take another gone like that  
Take another hurt so bad that  
I can't breathe, I can't sleep, don't wanna eat  
And I won't take another way she go in  
Take another all alone  
Man I want her back, but I can't take another gone like  
that  
I can't take another gone like that, no

She came up on me like a flood  
She wiped out everything I knew  
Now just barely... water, last thing I need to do  
As a reach for you,  
Oh but I can't take another gone like that  
Can't take another hurt so bad that

I can't breathe, I can't sleep, don't wanna eat  
And I won't take another way she go in  
Take another all alone  
Man I want her back, but I can't take another gone like  
that  
I can't take another gone like that, no

Now she's walking my direction, I might be lonely  
And this is tempting  
Oh now I can't take another gone like that  
Can't take another hurt so bad that  
I can't breathe, I can't sleep, I can't even eat  
And I won't take another way she go in  
Take another all alone  
Man I want her back, but I can't take another gone

Yes some times I want her back  
But I can't take another gone like that  
No, I can't take another gone like that  
I can't take another gone, no, no  
No, no, no, no, no, no, no yeah, yeah, wo whooo
