Heartache
Josh Kelley

I was lost in the words you said
She said when your head starts pounding boy, just go
back to bed
She was all
Ooh, she was all I was trying to get away from
3:15 on my broken watch
Went to the kitchen, poured a short glass of scotch
'Cause it was all, ooh it was all
I needed to help me sleep again

And if it ain't there, it's forever gone
There ain't no reason to keep holding on
To this heartache, heartache
I wish you'd never come back to me

Ooh, and this love
I would hold it tight
I would kiss the sweet lips through the longest night
But it ain't all, ooh it ain't always so easy baby
I've grown weary of the way she acts
Always whining, crying and talking back
Oh, why don't you go,
That's why I wrote this song 'cause I couldn't tell you

And if it ain't there, it's forever gone
Ain't no reason to keep holding on
To this heartache, heartache
Ooh, I wish you'd never, ever come back to me

Oh mercy, Lord, take her,
'Cause she's never gone (never gone)
Oh she's never gone (never gone)
Lord, give me some peace, puh-lease

'Cause all I got left is this heartache, heartache, ooh
Now all I (heartache)
Got left is (heartache)
Heartache

Heartache, heartache, whoooa, whoa, whoa, whoa,
whoa, whoa, whoa
Whoa, here we go on now babe
I said my heartache, heartache
Said my heart is gone
Heartache, heartache, whoooa, I guess I better get,
better get outta town
Better get outta town, gonna get out of town
(heartache)
This heartache, heartache, mmmmm
Whoa! I wish you never, never, never, never
I wish you never come back to meeeeeeeee.
