Here I am and I don't have much to say
It seems so strange to stare at you and to feel this way
Feel this way

Here I am and I don't really care this time
The phone can ring off the hook, I don't mind
I don't mind

I don't mind
(Love is lonely)
I don't mind
(Love is cruel)
I don't mind
(Love is only)
For a fool, for a fool

Here I am and I'm not really sure right now
Shut the shade the light's too bright, now I feel so well
Feel so well

Feel so well
(Love is lonely)
Feel so well
(Love is cruel)
Feel so well
(Love is only)
For a fool, for a fool

Here I am and I don't really know this time
Record skips and stammers the beat and repeats the
line
Repeats the line

Repeats the line
(Love is lonely)
Repeats the line
(Love is cruel)
Repeats the line
(Love is only)
For a fool, for a fool

So here I am

(Here I am)
Here I am
(Here I am)
Here I am
(Here I am)
Here I am again

(Love is lonely)
Again
(Love is lonely)
(Love is lonely)
Here I am
Here I am
(Love is lonely)

(Love is lonely)
Here I am
(Love is lonely)
Here I am
(Love is lonely)
Here I am again
