We storm the stage, we play our part  
Everybody loves a thespian  
We jump a grade, we make our mark  
Everybody loves a champion  
And we are larger than life  
Brighter than lights  
We're always on  
Everybody knows us we're the wonderful  
ones  
We live too fast and then we die  
Everybody loves a legend then  
We shoot to last we don't ask why  
Everybody loves Americans  
And we are armed to the teeth  
High on speed  
We're always on

CHORUS: Everybody knows us we're the  
wonderful ones  
Making the scene, the kings and  
queens of last years prom  
Everybody loves us, how about you?

BRIDGE: The ghostly girls who shed their skins  
The sunbathed boys, the Hilton twins  
The fabulous fucked up us  
Well ready or not we're coming because  
The show must go on  
The show must go on  
The show is on

CHORUS

Everybody knows us, we're the wonderful  
ones  
Our names on the list we're hard to resist  
We're so like young  
Everybody know us, we're the wonderful  
ones  
Nothing's our fault, we never get caught  
Everybody loves us, how about you?
