We storm the stage, we play our part
Everybody loves a thespian
We jump a grade, we make our mark
Everybody loves a champion
And we are larger than life
Brighter than lights
WeæŠ®e always on
Everybody knows us weæŠ®e the wonderful ones
We live too fast and then we die
Everybody loves a legend then
We shoot to last we donæŠ° ask why
Everybody loves Americans
And we are armed to the teeth
High on speed
WeæŠ®e always on

CHORUS: Everybody knows us weæŠ®e the wonderful
ones
Making the scene, the kings and
Queens of last years prom
Everybody loves us, how about you?

BRIDGE: The ghostly girls who she'd their skins
The sunbathed boys, the Hilton twins
The fabulous fucked up us
Well ready or not weæŠ®e coming because
The show must go on
The show must go on
The show is on

CHORUS

Everybody knows us, weæŠ®e the wonderful ones
Our names on the list weæŠ®e hard to resist
WeæŠ®e so like young
Everybody know us, weæŠ®e the wonderful ones
NothingæŠ~ our fault, we never get caught
Everybody loves us, how about you?
