Two cups of coffee in the morning
Two days till I stop feelin' blue
Two chairs, one empty in the corner
I got too much of me and not enough of you
I got too much of me and not enough of you

Two thousand miles away I'm boarding
Two crazy people next to me
Two shots of vodka I am pouring
I got too much of me and not enough of you
I got too much of me and not enough of you

Hold on tight, hold on tight
Because the ship is sailin'
One more night till I collide
Into my lady, precious lady, alright

One day we are going to get married
(Married)
One day I'll show you how I do, I do, baby, oh baby
One love is all this heart is yearning for
I got too much of me and not enough of you

I got too much of me and not
Too much of me and not enough of
Too much of me and not enough of you
I love you, baby, oh, I love ya

One day we are going to get married
