So in the meantime  
You'll be resting on my mind  
For the last time  
I would leave myself behind

In the evenings  
Raise a glass and tell some lies  
Make a pass, impress another girl  
She was easy on the eyes

She was easy  
And so was I

My reflection  
In the window when I ride  
For Chicago  
She is on the other side

Take a picture  
Write a letter to my love  
Well, I was almost honest  
I was almost honest

Been a long time  
Since I've lay with you in bed  
Conversations  
Full of words you never said

I got your message  
But I didn't hear the ringing bell  
I gave into the loneliness  
But I didn't give them nothing else

Which direction  
Down this highway that I ride  
To Atlanta  
She is on the other side

Take a picture  
Write a letter to my love  
I was almost honest  
Well, I was almost honest

Yeah, oh

My reflection  
In the window when I ride  
Could not save us  
But I swear to God I tried

Take a picture  
Write a letter to my love  
I was almost honest  
But I was almost honest  
'Cause I was almost honest
