I said love
I feel like I'm standing on top of the sun
And even your temperature won't make me run

Being with you makes me feel
So alive, mesmerized
I realize that it's in your eyes

Honey, this is not just a fantasy
Let me keep on keeping it real
Being with you makes me feel
So alive, mesmerized, I realize that it's in your eyes

Hi oh, hey oh
This is how the story goes
And you know, I know
That we don't want to be alone

Hi oh, hey oh
This is how the story goes
And you know, I know
That we don't want to let it go

People, they say "You will never find love"
They say "It's a myth, all you want is that touch"
But I disagree 'cause I know I feel
So alive, mesmerized
I realize that it's in her eyes

Honey, feel like I'm floating on that ecstasy
Oh, give me something more so I can feel it
So alive it's in your eyes
I'm mesmerized, gonna blow your mind

Hi oh, hey oh
This is how the story goes
And you know, I know
That we don't want to be alone

Hi oh, hey oh
This is how the story goes
And you know, I know

That we can never let it go

I feel so high

Oh, my baby she makes me wanna touch the sky

Oh you never know unless you try

Hi oh, hey oh

This is how the story goes

And you know, I know

That we don't want to be alone

Hi oh, hey oh

This is how the story goes

And you know, I know

That we can never let it go

I realize that it's in your eyes

I realize that it's in your eyes

I realize that it's in your eyes

I realize that it's in your eyes

Gonna blow your mind

I'm gonna blow your mind

I wanna blow your mind

Gonna blow your mind

I wanna blow your mind

Gonna blow your mind

I realize that it's in your eyes
