Some words aren't meant to be spoken
But you gotta say something
Some things aren't meant to be broken
But you gotta break something

Sometimes you don't wanna try
But you gotta try something
Sometimes you don't wanna feel
Don't wanna feel nothing

I don't mind singing
You gotta try something

Sometimes you misunderstand me
Why don't you just listen?
Let me out of your shadow
Let me out of your prison

I wish I could make up my mind
So many decisions
I know that I will be fine
I will be forgiven

I don't mind singing
You gotta try something

I'll be waiting for the rest of my life
Don't need anyone to save me

I don't mind singing
You gotta try something
Don't wanna feel nothing
Why don't you just listen?
Let me out of your prison

Wish I had the words, the words to say
I wish you had the patience anyway
To let it go, to let it go
I wish I had the words, the words to say
Wish I had the patience anyways
Just let it go, to let it go
