Somebody stares in my room
Well, ask him if he'd like to come inside
People pass by him everyday
He mumbles like he's gone and lost his mind

And he stares at me as if to say
Lift me up
(You know you wanna go)
I'm scared
(You know you wanna go)
Lift me up, I'm tired of this
Lift me up and float among the clouds

Take off your coat and stay awhile
Help yourself to each and every thing
To lend an ear don't cost a thing

And he stares at me as if to say
Lift me up
(You know you wanna go)
I'm scared
(You know you wanna go)
Lift me up, I'm tired of this
Lift me up and float among the clouds

Waiting for my ship to come
Take me far away

And he stares at me as if to say
Lift me up
(You know you wanna go)
I'm scared
(You know you wanna go)
Lift me up, I'm tired of this
Lift me up and float among the clouds
