I know the kind of guy I am  
A bit too much into myself, not much left for someone  
else  
And I'm sure I've caused my share of pain  
But all that changed when you first touch my face

Halfway around my little world  
You had no idea that you were my girl  
You found my arms not a moment too soon  
I couldn't see past me 'til I saw you  
Sweet Naleigh Moon

I love the man you're making me  
Yeah, every day I'm gonna prove there's nothing I won't  
do for you  
Just to see you in your mama's arms  
Is more than enough to bring me to my knees

Halfway around my little world  
You had no idea that you were my girl  
You found my arms not a moment too soon  
I couldn't see past me 'til I saw you  
My sweet Naleigh Moon

I can't imagine life  
Without my Naleigh Moon

Halfway around my little world  
You had no idea that you were my girl  
You found my arms not a moment too soon  
I couldn't see past me 'til I saw you  
I couldn't see past me 'til I saw you  
Naleigh Moon

My sweet Naleigh Moon  
My sweet Naleigh Moon
