Sweet, sweet, magenta lips
Whispering another lie
What I wouldn't do for just one kiss
I'd follow her to the edge of life

And I know your shameless heart ain't true
And I know every move you make is cruel
Your shameless heart ain't true
I don't know where to start
There's nothing you won't do
It's tearing me apart

I could ride her curves to the moon
With childlike innocence
Oh, I don't care, I'm being used
I've fallen in her abyss

And I know your shameless heart ain't true
And I know every move you make is cruel

Your shameless heart ain't true
There's nothing more to say
There's nothing left I can do
I just can't keep away

Everyone is searching
Searching for the truth
But all this lonely boy is
Searching for is you

I know your shameless heart ain't true
And I know every move you make is cruel

You're so shameless

You're shameless heart ain't true
I don't know where to start
There's nothing you won't do
You know it's tearing me apart

Shameless heart ain't true
