"Still Gonna Try"

Seems to me that you only want me
When you're happy, are you happy?
Or are we just wasting time?
Oh, I'll make it easy
If you stay or you leave me
I'm still gonna try
Still gonna try

Ooo, still gonna try
Ooo, still gonna try
Ooo

Every once in a while
I catch myself in the same old denial
And I hold my breath for a moment
Where I can forget you're gone

Seems to me, you wanna ignore me
When you have me, do you have me?
I think it's time to decide
There must be a reason
Why I can't stop believing
That one day, you'll leave me behind
But I'm still gonna try

Ooo, still gonna try
Ooo, still gonna try
Ooo

Every once in a while
I catch myself in the same old denial
I hold my breath for a moment
Where I can forget you're gone

Still gonna try
(Still gonna try)
Still gonna try
(Still gonna try
Still gonna try
Mmm)

Seems to me that you only want me
When you're happy, are you happy?
