When the rain is blowin' in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love

When the evenin' shadows and the stars appear
And there's none there to dry your tears
I could hold you for a million years
To make you feel my love

Oh, I know you haven't made your mind up yet
But I will never do you wrong
I knew it from the moment that we met
No doubt in my mind, we'd be wrong

I'd go hungry, I'd go black and blue
I'd go crawlin' down the avenue
No there's nothin' that I wouldn't do
To make you feel my love

Oh, when the storms ragin' on the open sea
And on the highway of regret
The winds will change, I'll blow wild and free
You ain't see nothin' like me

I could make you happy
Make your dreams come true
Though there's nothin' that I wouldn't do
I'll go to the ends of the earth for you

To make you feel my love
To make you feel my love
To make you feel my love
To make you feel my love
