Two cups of coffee in the morning
Two days till I stop feelin' blue
Two chairs, one empty in the corner
I got too much me and not enough of you
I got too much me and not enough of you

Two thousand miles away I'm boarding
Two crazy people next to me
Two shots of vodka I am pouring
I got too much me and not enough of you
I got too much me and not enough of you

Hold on tight
Hold on tight because the ship is sailin'
One more night till I can lie into my lady
Precious lady

One day we are going to get married
(Married)
One day I'll show you how I do
(I do baby, baby, oh)

One love is all this heart is yearning for
I got too much me and not enough of you
I got too much me and not
Too much me and not
Not enough of
Too much and not enough of

Well anyway

HMMMM

Yeah ...

Yeah ...

I got too much me and not enough
Oh, I got too much me and not enough of you
Baby, baby, baby
I got too much of me and not enough of you
I'm gonna hold you darlin'

Baby I got too much of me
I love you
Gonna hold you darlin'
Love you, love you

One day we are going to get married
