The worst mistake is giving up  
Pulling back when you've had too much  
Of not knowing where you belong

The one thing I am certain of  
Is time will change each one of us  
For this you're not on your own  
So open your voice and be strong

You are not alone  
You are what you believe  
You are now alone  
You're a part of everything

When life gets you down  
Set your soul at ease  
You are not alone  
You're a part of everything

The cheapest secret is the truth  
Until you finally set it loose  
Such an unbelievable game  
Well, if you've got something to say  
Let it out

Give us something to talk about  
So that you're not on your own  
Open your voice and be strong

You are not alone  
You are what you believe  
You are now alone  
You're a part of everything

When life gets you down  
Set your soul at ease  
You are not alone  
You're a part of everything

Don't people tell you  
That you won't amount to nothing  
Get out of the way, get out of the way

Do your thing, do your thing, do your thing

Do you thing, give me your thing  
It's a beautiful thing, get up

You are not alone  
You are what you believe  
You are now alone  
You're a part of everything

When life gets you down  
Set your soul at ease  
You are not alone  
You're a part of everything

You are not alone  
You are what you believe  
You are now alone  
You're a part of everything

When life gets you down  
Set your soul at ease  
You are not alone

You're a part of  
You're a part of everything  
You're a part of  
You're a part of everything
