You paint a picture on the wall
'Cause you got a lot to tell me
But you don't think you can say it better
Oh, baby

You're bringing up times I can't recall
I'm sure they made your point
But I just can't seem to remember, yeah

And I know you got the feeling
And I can't say I'm agreeing
With your topic of conversation

So just listen to the reasons
And the hints that I've been giving
To the thoughts of my imagination

So come on let me see
I said baby you're amazing
I want to let you see
You are everything and more to me
I will let you be, I will, I will

'Cause I saw you walking down the hall
And I had a lot to tell you
But I didn't think you could say it better
Oh, baby

You're good at making me feel so small
And I know you made your point
But I just don't want to remember, yeah

And I know you got the feeling
And I can't say I'm agreeing
With your topic of conversation

So just listen to the reasons
And the hints that I've been giving
To the thoughts of our imagination

So come on let me see
I said baby you're amazing

I want to let you see
You are everything and more to me
I will let you be, I will, I will

'Cause I'm dancing around and you will complain
I'm taking my time to make sure you stay
I would give my life to make it okay, yeah

So come on let me see
I said baby, you're amazing
I want to let you see
You are everything and more to me
I will let you be, I will, I will

I said baby, you're amazing
I want to let you see
You are everything and more to me
I will let you be, I will, I will

'Cause I will, I will
