I've been down this road before  
Walk out the door  
Leave you on the floor  
Sometimes you run and hide  
Your foolish pride's  
What keeps me from giving you more

So the best thing  
I can give to you  
Is for me to go  
Leave you alone  
You got growin up to do

Some day I'll return when it's time  
For payment in kind  
The church bells will chime  
You'll stand before me surrounded by lights  
Dressed in white  
You'll throw flowers in the air  
this night

But the best thing  
I can give to you  
Is for me to go  
Leave you alone  
Cause you've got growin up to do

Looks like the rain's pouring down on me  
It's drowning me now  
All I want is to come back home  
And this old corduroy coat it's not keeping me dry  
But I can't think of what else to try

That's why the best thing  
I can give to you  
Is for me to go  
Leave you alone  
You got growin up to do

The best thing  
I can give to you

Is for me to go  
Leave you alone  
You got growin up to do.
