Drive in the slow right lane we've got some time to  
killâ€¦I love this time of year and you're a strange,  
strange find..I want to take all I can from you just give  
me a sign and I'll be right at your sideâ€¦

Chorus:

Lately I've been freelin' no painâ€¦My heart is wide  
open and somehow everything falls into placeâ€¦and  
it's loveâ€¦

Words, words that don't come outâ€¦if I'm confusing  
you I'm just here to clean your doubts and I'm inclined  
to tell you that I don't need any room to breathe, I want  
to see you laid out sleeping on the couch..

Chorus:

Lately I've been freelin' no painâ€¦My heart is wide  
open and somehow everything falls into placeâ€¦and  
it's loveâ€¦

Bridge:

I will find a way to bring the light back to your day and I  
will show you that I can changeâ€¦

Chorus:

Lately I've been freelin' no painâ€¦My heart is wide  
open and somehow everything falls into placeâ€¦and  
it's loveâ€¦
