"Why"

Why can't you try to be happy
Why must you always be sad?

Why spend your only life waitin'
To have what you know can have

Why spend your only life hopin'
What a torture to always be blue
Darlin'

Why spend your only life waitin'
To do what you know you can do?

What's the worst the worst thing
that could possibly happen to you?

Why spend your only life hopin'
What a torture to be always blue
Darlin'

Why spend your only life waitin'
To do what you know you can do?

mmmmmmmmmmmmmmmmmmmm
