

Come back
Come back

Yeah cause I've been waiting for the longest time
I want you to come back
Maybe if the sun would shine
You'd bring my happy back

I'm gonna stay on this mountain high
Til you come running back
Don't leave me hanging out on that line
I want you to come back
I want you to come back
I want you to come back
I want you to come back
Yeah

Waiting for the longest time
Waiting for the longest time
I want you to come back
