Domesticated lovers  
Domesticated lovers  
Never know they'll find  
Domesticated lovers  
Say there'll be a last time

Early in the morning  
Till the late, late night  
There's no doubt  
They lead a life of [Incomprehensible]

Domesticated lovers  
Breaking each other's hearts  
Domesticated lovers

She don't understand him  
He can't do nothing right  
He's all day sleeping  
He sleeps until the night

She takes the car to work every morning  
He don't like to drive  
She works hard she brings money home

Domesticated lovers  
Throwing the dog all the bone  
Domesticated lovers  
Labored the life all alone

They go out to a restaurant  
They don't talk  
About the thing that happened that day  
Or the new hairdo she's got

Can you tell me, mamma  
Are we doing alright?  
Can you tell me, mamma  
Will we make it through this fight?

From early in the morning  
Till the late, late night  
There's no doubt

They lead a life of [Incomprehensible]

Domesticated lovers

Breaking each other's hearts

Domesticated lovers

Breaking each other's, another's hearts
