Ears to the ground, ears to the ground
Just waiting for the sound of footsteps
Wheels to the road, wheels to the road
Hoping this will be my last stop

Abuse my heart for it's all I've left
Leading me on this is what I get
Just waiting for the sound of footsteps

I've give all everything is spent
Hang up a sign reading room for rent
Just waiting for the sound of footsteps

I'm waiting for the sound

Wheels to the road, wheels to the road
Hoping this will be my last stop
Ears to the ground, ears to the ground
Just waiting for the sound
