Can you guess how much one man can sit and drink in
one night?

But don't look so surprised

Because this is a world where no one feels sorry for
you, man

In my drunken state I claim that

I'm giving it up for good

Gotta tell you dear, that was a bad time

I was on the ground crawling on all fours

Woke up the next day and I didn't feel so good

I don't know why I do this to myself

Pack up the car and put me in a hospital bed

Because I need some help to change

And I'm giving it up for good

Gotta tell you dear, that was a bad time

I was on the ground crawling on all fours

Yeah I'm giving it up for good

Gotta tell you dear, I got a bad time

But I'll be coming around knocking on your door

There were far too many lies

I was way out of line

This silly little boy, such a shame

I hope you're happy about the way that things worked
out for me

Cause I feel better now, yeah I'm much happier now

Yeah yeah yeah yeah yeaah

There were far too many lies

I was way out of line

This silly little boy, such a shame

And I hope you're happy about the way that things
worked out for me

Cause I feel better now, yeah I'm much happier now

And I'm giving it up for good

Gotta tell you dear, that was a bad time

I was on the ground crawling on all fours

Yeah I'm giving it up for good
Gotta tell you dear, I got a bad time
But I'll be coming around knocking on your door
I'll be coming around knocking on your door
I'll be coming around crawling on all fours
