Won't you call me back  
In the middle of the day?  
Won't you call me back  
In the middle of the day?  
Sleepers sleepin' away  
Sleepers are sleepin' away

Told you not the come  
'Til the middle of the afternoon  
Told you not the come  
'Til the middle of the afternoon  
Fakers fakin' away  
Fakers are fakin' away

And everybody knows  
What's going on  
And everybody knows  
What's going on 'round here

Bet you'd take a ride with  
The devil and his horse  
Bet you'd take a ride with  
The devil and his horse  
Makers make for the day  
Makers are make for the day

And everybody knows  
What's going on  
And everybody knows  
What's going on 'round here
