I know this sounds absurd  
Let me start this verse  
The passion is slowing you down  
In a corner you sit on a chair  
Where's that shirt you wear  
That makes you look so soft

And I won't ask for much  
I won't ask for anything  
At all  
I won't ask for much  
I won't ask for anything  
Just sit there and smile

Fell into a sleep  
Fifteen minutes deep  
You can't hold a thought there  
And this apartment's cheap  
It's breaking God's heart to see  
You look so down and  
Inspired

And I won't ask for much  
I won't ask for anything  
At all  
And I won't ask for much  
I won't ask for anything  
You can just sit there and smile

And smile...
