Right now I need an ocean
To take me away
Caught in a bad time
I can't escape
I wasn't looking, you came back wave

No one is ever really sure
What I feel is true
I thought I was really sure
What I felt was you
And now I'm in the ocean
Getting pushed by the waves
I'm going under, getting carried away

Sinking down, slow, sinking down slow,
Sinking down slowly
Sinking down, slow, sinking down slow,
Sinking down slowly
Down to the bottle

No one is ever really sure
What I feel is true
I thought I was really sure
What I felt was you
And now I'm in the ocean
Getting pushed by the waves
Now I'm going under, getting carried away

Sinking down, slow, sinking down slow,
Sinking down slowly
Sinking down, slow, sinking down slow,
Sinking down slowly
Sinking down, slow, sinking down slow,
Sinking down slowly
Sinking down, slow, sinking down slow,
Sinking down slowly.
