Morgan,  
Shutup,  
You can't sing good  
Always pretendin that your from the hood,  
You aint Eazy-E  
You can't front with me  
Always hangin' with your homegirl Trace  
I'm in first place  
Cause I'm number one  
You're number two  
I'm saying you suck  
Not that your poo  
This is my burn  
Now it's your turn  
To try and diss me  
So u can get on MTV  
Not gonna happen  
You ain't beyonce  
You ain't even close  
Don't even play  
Cause I'll burn you all night  
Burn you all day  
Small like a shrimp  
Unlike emery's mouth  
Talkin' like morgan's from the south  
But it ain't true  
Your as white as rice  
I have'nt dissed you once  
But I've dissed you twice  
I know I'm not nice  
Now it's your time to roll the dice  
But my butt is  
Chyeah, quit your frontin'  
Or start backin'  
No homo  
Going off the top of the dome oh  
I'm dunn like kyle  
We'll be going back and forth  
Just like a trial  
Now turn the dial  
Turn it down a some  
Don't get mad cuz you can't get none

Not nun like a church  
Not church like chicken  
I'm so pro  
You don't even know  
Now it's your turn to go
