Blast! -
I'm about to blast, I'm about to fuck it up -
I'm about to drop your mother's angel on the floor -
I'm gonna do it fast, how am I to shut you up -
I got to free myself and quick I'm out the door -
I want you Blast! -
I want you Blast! -
I left no point of entry and you left your business
undone -
I'm about to crash, I'm about to pack it up -
I'll do it now you know I've done it once before -
If I don't last, if I don't measure up -
It's just because I'm fucking rotten to the core -
I want you Blast! -
I want you Blast! -
I left no point of entry and you left your business
undone, undone -
I always keep it with me as you attempt to cause harm,
cause harm -
Blast! Blast!Blast! -
I've had enough, I feel like something's up, I think that
everything is happening to fast -
And you you're a mess, I really must confess, I got to
free myself before it starts to grow -
I want you Blast! -
I want you Blast! -
I left no point of entry and you left your business
undone, undone -
I always keep it with me as you attempt to cause harm,
cause harm Blast! Blast! Blast!
