Yeeaaaahhhh

when I look in her eyes
It aint no surprise
Sparks start a flyin like the 4th of July

She gets me so hot, my heart starts a pumpin
When we get to kissin, there aint no stoppin'

When it comes to love
she aint no slacker
My little darlin is a firecracker

When I light the fuse
I gotta get back quick
you gotta be careful with a dynamite stick

son of a gun she fun to handle
and she packs a punch like a roman candle
she a pack of black cats in a red paper wrapper
my little darlin is a firecracker

Chorus:
We might not ought to take a roll in the hay
cause we'd burn the barn down one of these days
were a match made in heaven
and it aint no joke.
but Id sure I hate to see it go up in smoke

we got a good thing going
and it feels so right
shes a firecracker
shes the light of my life.

she goes off with a great big BANG
boys I tell ya its a beautiful thing
she takes off you better hang on tight

shes a blonde bottle rocket
in the middle of the night

when she makes love shes a Heart attacker
My little darlin is a Firecracker

chrous:

We might not ought to take a roll in the hay
cause we'd burn the barn down one of these days
were a match made in heaven
and it aint no joke.
but Id sure I hate to see it go up in smoke

we got a good thing going
and it feels so right
shes a firecracker
shes the light of my life.
