The battle has just begun!
The battle has just begun!
Art of war!
Open up your dreams and find a way
Awake the morning screaming in your face
Feel the poison sweeping through your veins
Ill lay you down, I'll lay you down
Chorus:
Flowers and cages heaven and earth freedom
Flowers and cages avail yourself
Seven sins found and no you're not the first
Six feet down flowers and cages
Safe in my cocoon beneath the waves
A colorful description of your fate
I smell the flowers sometimes in the air
Ill lay you down, I'll lay you down
-chorus-
The battle has just begun! Art of war!
Seize the moment standing in the way
The picture doesn't quite fit in the frame
Out of turn you speak without a sound
Ill lay you down, I'll lay you down
-chorus-
Awake the morning screaming in your face
Seize the moment standing in the way
I smell the flowers sometimes in the air
Art of war!
