Darlin', it seems like the whole world's just turnin' so fast Everything's changin' and we're just tryin' to keep up But we've got something special here Something worth waitin' for Yeah, we're right on the edge of fallin' Fallin' in love

No rush, no rush, ain't this world turnin', baby Fast enough Let's slow it on down to just the two of us No rush

Walkin' (walkin') an' talkin' (talkin') Dreamin' with you, wonderin' (wonderin') And tell me baby, l've been wonderin' Are you feelin' it too

No rush, no rush, we've got forever, baby For catchin' up Let's lay it on back to the speed of love No rush

[Instrumental]

No rush, no rush, ain't this world turnin', baby Fast enough Let's slow it on down to just the two of us No rush

No rush, no rush, we've got forever, baby For catchin' up Let's lay it on back to the speed of love No rush Let's slow it on down to just the two of us No rush
