In your eyes, I see that something's wrong -  
In your mind, you think I've gone too far -  
And you try, try to think of all the reasons -  
Now you sit and watch the flower die -  
Shine halo's and look what's happened -  
Shine hands through the water blackened -  
Be back home again -  
Be back home again -  
Be back home again -  
It's all right, cause we'll do it all night long -  
It takes time, just stay inside my arms -  
And you try, try to think of all the reasons -  
Now you stand with water in your eyes -  
Shine halo's and look what's happened -  
Shine hands through the water blackened -  
Be back home again -  
Be back home again -  
Be back home again -  
Be back home again -  
In the back of my mind I put you together -  
Got the shine your light as a feather -  
You say there's nothing better we got so much time -  
Hold tight we cut through the meadow -  
Make it back to watch the sun go -  
You say there's nothing better we've got so much time -  
Shine Shine Shine Shine -  
Shine halo's and look what's happened -  
Shine hands through the water blackened -  
Be back home again -  
Be back home again -  
Be back home again -  
Be back home again
