The corner liquor store is open all night
3 a.m. running out of fucking time
Put the straight jacket on keep moving along
Four walls, no windows, no fucking cigarettes
Its what you want it's what you need
Cut you deeper than a razor
Another glorified attempt of suicide
Popping pills just to get the shit off your mind
Put the straight jacket on and keep moving along
No laws, no victims, no fucking safety nets
Chorus:
I can feel it coming, I'll never sleep again
I can show you something, you'll never sleep again
A sweat shop in the basement a silhouette
Another sign of a young mind came and went
Put the straight jacket on keep moving
No flaws, no static, can't fucking pay the rent
-chorus-
I want to show you something
I got to show you something you'll never sleep again
Never sleep again, never sleep again, never sleep
again
Four walls, no windows, no fucking cigarettes
