Baby why don't we just turn that tv off  
Three hundred fifteen channels of nothing but bad  
news on  
Well it might be me but the way I see it the whole world  
has gone crazy  
So baby why don't we just dance

Guess the little bitty living room aint gonna look like  
much  
When the lights go down and we move the couch it's  
gonna be more than enough  
For my two left feet and our two hearts beatin'  
nobody's gonna see us go crazy

So baby why don't we just dance down the hall maybe  
straight up the stairs bouncin' off the wall floatin' on air  
baby why don't we just dance

Baby why don't you go put your best dress on  
Those high heeled shoes you love to lose as soon as  
the tunes come on  
On second thought just the way you are is already  
drivin' me crazy so baby why don't we just dance down  
the hall maybe straight up the stairs bouncin' off the  
wall floatin' on air baby why don't we just dance

Ah cut a rug

Well it might be me but the way I see it the whole world  
has gone crazy so baby why don't we just dance Oh  
baby why don't we just dance.
