Baby lock the door and turn the lights down low
Put some music on that's soft and slow
Baby we aint got no place to go
I hope you understand
Ive been thinkin bout this all day long
Never felt a feelin quite this strong
I can't believe how much it turns me on
Just to be your man
There's no hurry don't you worry
We can take our time
Come a little closer
Lets go over what i had in mind
Baby lock the door and turn the lights down low
Put some music on that's soft and slow
Baby we aint got no place to go
I hope you understand
Ive been thinkin bout this all day long
Never felt a feelin quite this strong
I can't believe how much it turns me on
Just to be your man
Aint nobody ever loved nobody
The way that i love you
Were alone now
You don't know long ive wanted to
Lock the door and turn the lights down low
Put some music on that's soft and slow
Baby we aint got no place to go
I hope you understand
Ive been thinkin bout this all day long
Never felt a feelin that was quite this strong
I can't believe how much it turns me on
Just to be your man
I can't believe how much it turns me on just to be your
man
