I'm a gangster, I'm a straight up G.
The gangster life is the life for me.

Shooting people by day, selling drugs by night.
Being a gangster is hella tight.

I walk around town with a stark erection.
Then gave your mom a yeast infection.

I saw a policeman, and I punched him in the eye.
To serve and protect, what a lie!

I also don't like white people, you shouldn't too.
And don't get me started about the Jews.

I'm a gangster, grrr, I'm steaming mad
I'm a gangster, my rhymes are bad.

I'm a gangster; I'm iced out like a freezer.
I'm a gangster, I don't listen to Weezer.

I dropped out of school at the age of 3. Why?
'Cause all the teachers tried to player hate on me. Oh.

My rhymes r cool, jus like doing cocaine.
My rhymes r hot, like a burning flame.

Sisqo is my homie, he's a gangster too.
Me and Sisqo are the leaders of the gangster crew.

I like to be in jail and he likes to sing and dance.
Some say we're the perfect match.

I'm giving a shout out to all my homies in cell block 8.
Being in jail sucks 'cause u always have to masturbate.

Except when a Jewish person goes to jail all my homies cheer.
They will make mince-meat out of his rear.

Ben Peddy helped me make the gangster beat to this song.

I shot him in the face because he looked at me wrong.

I'm a gangster, I drop bombs like Hiroshima.
I'm a gangster, bitch suck on my wiener.

I'm a gangster, I drive a cool car.
I'm a gangster, I smoke weed in a cigar.

Yo! My gangster flow.
Yo! Yo yo yo.

I'm rolling on dough's, iced out like hockey.
I got kicked out of Japan for drinking all the sake.

What a bitch, give me head hoe.
What's up to my dogs, yo yo yo.

They play this song on the radio all day long,
So everyone can hear my gangster song.

Nobody thought I'd blow up like a firestone tire-
Oh, there's no beat left...
