You can take a lesson
From an old coal miner
Go and get you a shovel
And dig clear to China
But there's nothin'
No, there's nothin'
Deeper than my love
You can drop in the ocean
In a deep-diving submarine
You can sit on the bottom
Down where there's nothin' to eat
But there's nothin'
No, there's nothin'
Deeper than my love
Girl, there ain't nothin' better
Than you and me together
It's now and forever
Right down to the letter
And I won't ever
never ever get enough
'Cause there's nothin'
Deeper than my love
Girl, you know I want you
Down in my country soul
You can look into my eyes
As far as you wanna go
'Cause there's nothin'
No there's nothin'
Deeper than my love
You know there ain't nothin' better
Than you and me together
It's now and forever
Right down to the letter
And I won't ever
never ever get enough
'Cause there's nothin'
Deeper than my love
No there ain't nothin' better
Than you and me together
It's now and forever
Right down to the letter
And I won't ever

never ever get enough
No there ain't nothin' bigger
As far as I can figure
And ain't nothin' longer
And ain't nothin' stronger
Baby, I'm yours
Sure as there's a Lord Above
And there's nothin'
Deeper than my love
Deeper than my love
Deeper than my love
