If you told me that you love me
I would feel so proud
If you'd let me hold you, honey
I'd holler out loud

I'll never love another
Even if I can
Oh, come to me, baby
I'm a one woman man

Won't you let me, baby
Just a kind of hang around?
I'll always love you, honey
And I'll never let you down

I'll never love another
Even if I can
Well, come to me, baby
I'm a one woman man

I'd climb the highest mountain
If it reached up to the sky
To prove that I love you
I'd jump off and fly

I'd even swim the ocean
From shore to shore
To prove that I love you
A little bit more

Won't you let me, baby
Just a kind of hang around?
I'll always love you, honey
And I'll never let you down

I'll never love another
Even if I can
Well, come to me, baby
I'm a one woman man

If you told me that you love me
I would feel so proud

If you'd let me hold you honey
I'd holler out loud

I'll never love another
Even if I can
Oh, come to me, baby
I'm a one woman man

Won't you let me, baby
Just a kind of hang around?
I'll always love you, honey
And I'll never let you down

I'll never love another
Even if I can
Well, come to me, baby
I'm a one woman man

Come to me, baby
I'm a one woman man
