There she goes, she looks so pretty
She glows so bright, I think she lights up the city
I once was lost but now I'm found
Just watching my lady walk on down

Cause it's me and you
And we're going to
Be together forever
When we say I do
I don't want no money
I don't want nothing
Honey, I just want you to share my last name
Mrs. Verdes

Mrs. Verdes
Mrs. Verdes
How sweet it sounds to me
Oh my Mrs. Verdes

And everytime I look at you, I swear I get nervous
For once in my life I've realized my purpose
You make me happy now I'm game
Dedicate my life to you to do the same

Cause it's me and you
And we're going to
Be together forever
When we say I do
I don't want no money
I don't want nothing
Honey, I just want you to share my last name

Cause it's me and you
And we're going to
Be together forever
When we say I do
I don't want no money
No No No, I don't want nothing
Honey, I just want you to share my last name
Mrs. Verdes

Mrs. Verdes

Mrs. Verdes
How sweet that sounds to me
Oh my Mrs. Verdes

How sweet it sounds to me
My Mrs. Verdes

How sweet that sounds to me
My Mrs. Verdes
