Save me
I feel like Iâ€™m goinâ€™ crazy
Iâ€™ve got this lady
Sheâ€™s got me on my knees
Iâ€™m saying baby baby please
Donâ€™t leave tonight without giving me
Some of your lovinâ€™ it makes me weak
Somebody save me

And lately
I feel like Iâ€™m goinâ€™ crazy
Iâ€™ve got this lady
The way her lips just move
The way her hips just groove
The feelinâ€™ I get when she says my name
Itâ€™s a feeling that never feels the same
Save me

Coz I found the
Love that's a one of a kind
This time Iâ€™m in for it
And I know Iâ€™m in just way too deep
Someone, oh someone
Save me now

And lately,
I know Iâ€™m goinâ€™ crazy
Iâ€™ve got this lady
Youâ€™re now thatâ€™s all I think about

The next time I can take her out
I really donâ€™t wanna feel this way
But I think itâ€™s already way too late
Save me

I found the love that's a one of a kind
This time Iâ€™m in for it
I know Iâ€™m in just way too deep
Someone ooohh someone
Save me

Coz Iâ€™ve been there way too many times before

And everytime I say it's not gonna work
Not this time so...save me
Just save me
Somebody save me

Yeah...oh ohhh

Coz I found the love that's a one of a kind
This time I'm in for it
and I know I'm in just way too deep
Someone...oh someone
I said someone....

Save me now

Save me now...
