Verse:

Dear money, i wrote a song for you  
cause you lead me to believe you buy me everything i  
need then you, fill me full of emptiness.

So money, it's time to call you out  
about the way you say you pay and then you turn and  
walk away turns out, you can't keep your promises

Chorus:

I'm changing the locks of my pockets now, cause if i  
don't let you in then you can't run out.  
well i love to hate to love you, but i cant get enough of  
you, i cant get enough, so I've had enough of you

Verse:

Hey money I've had enough you  
everyday its all the same the way you love to  
complicate, i knew that we never should've met

Yea money I'm asking you to leave nothing personal  
but you were never worth it all, oh please don't make  
this harder than it is.

Chorus:

I'm changing the locks of my pockets now, cause if i  
don't let you in then you can't run out.  
Well i love to hate to love you, but i cant get enough of  
you, i can't get enough, so I've had enough of you.

End:

Hey money just leave me alone!
