It was prettier than poetry the first time you said hello
to me

Well, call it crazy, call it meant to be, yeah

But it didn't take me long to see

That you mean more than anyone

I'm running in circles, jumping over hurdles, working
on a song to sing

I wanna tell you how I'm feeling, finding it hard to do

'Cause I don't know how to say it, don't know how you'll
take it

Don't know how to fall in love, but I wanna learn with
you

I wanna learn

Well, my friends say I should take it slow

But my dad says when you know, you know

So maybe I'll just rent a car

Well and I'll drive right back to where you are

'Cause you mean more than anything

I'm running in circles, jumping over hurdles, working
on a song to sing

I wanna tell you how I'm feeling, finding it hard to do

'Cause I don't know how to say it, don't know how you'll
take it

Don't know how to fall in love, but I wanna learn with
you

I wanna learn, I wanna learn with you

I never thought I'd drop my guard

Then you broke into my clumsy heart, yeah

I'm running in circles, jumping over hurdles, working
on a song to sing

I wanna tell you how I'm feeling, finding it hard to do,
so hard to do

'Cause I don't know how to say it, don't know how you'll
take it

Don't know how to fall in love, but I wanna learn

I'm running in circles, jumping over hurdles, working

on a song to sing
I wanna tell you how I'm feeling, finding it hard to do,
so hard to do
'Cause I don't know how to say it, don't know how you'll
take it
Don't know how to fall in love, but I wanna learn with
you
Do you wanna learn? 'Cause I wanna learn, oh, with You
With You, with You
