Savior, please take my hand .
I work so hard, I live so fast.
This life begins, and then it ends.
And I do the best that I can,
but I don't know how long I'll last.

Chorus:

I try to be so tough,
but I'm just not strong enough.
I can't do this alone,
God I need you to hold on to me.
I try to be good enough,
but I'm nothing without your love.
Savior, please keep saving me.

Savior, please help me stand.
I fall so hard, I fade so fast.
Will you begin, right where I end?

And be the God of all I am because you're all I have.

(Chorus)

Hallelujah
Everything you are to me,
is everything I'll ever need.
And I am learning to believe,
that I don't have to prove a thing.
Cause you're the one who's saving me.
Hallelujah

(Chorus)

Savior, please keep saving, me.
