Savior please take my hand  
I work so hard, I live so fast  
This life begins and then it ends  
And I do the best that I can  
But I don't know how long I'll last

I try to be so tough but I'm just not strong enough  
I can't do this alone, God I need You to hold on to me  
I try to be good enough but I'm nothing without Your  
love  
Savior please keep saving me

Savior please help me stand  
I fall so hard, I fade so fast  
Will You begin right where I end  
And be the God of all I am because You're all that I  
have

I try to be so tough but I'm just not strong enough  
I can't do this alone, God I need You to hold on to me  
I try to be good enough but I'm nothing without Your  
love  
Savior please keep saving me

(Hallelujah)  
Everything You are to me  
(Hallelujah)  
Is everything I'll ever need  
(Hallelujah)  
And I am learning to believe  
(Hallelujah)  
That I don't have to prove a thing  
(Hallelujah)  
'Cause You're the one who's saving me  
Hallelujah

I try to be so tough but I'm just not strong enough  
I can't do this alone, God I need You to hold on to me  
I try to be good enough but I'm nothing without Your  
love  
Savior please keep saving me, Savior please keep  
saving me
