Every bit of history and every single breath we breathe
Has led us here and brought us to our knees
From carrying the curse we bear and praying that He's
heard our prayers
To set us free, oh, set us free

'Cause we could never get back home with broken
hearts
So home has come to meet us where we are

So sing God is with us, sing He has come to save us
Sing He will never leave us, glory in the highest
Everybody sing to the One who is our King
He has come to bring redemption to us, God is with us
Glory in the highest, everybody sing

We have found our hope again in the Son of God and
Son of Man
This Savior King is changing all we know
By carrying the curse we bear for everybody
everywhere
He lived and died and brought us life and we will rise
to meet Him in the sky

So sing God is with us, sing He has come to save us
Sing He will never leave us, glory in the highest
Everybody sing to the One who is our King
He has come to bring redemption to us, God is with us
Glory in the highest, everybody sing, everybody sing,
sing

Jesus, Jesus, our Emmanuel, God is with us now
Jesus, Jesus, our Emmanuel, God is with us now

'Cause we could never get back home with broken
hearts
So home has come to us

Sing God is with us, sing He has come to save us
Sing He will never leave us, glory in the highest
Everybody sing to the One who is our King
He has come to bring redemption to us, God is with us

Glory in the highest, everybody sing

God is with us, sing He has come to save us
Sing He will never leave us, glory in the highest
Everybody sing to the One who is our King
He has come to bring redemption to us, god is with us
Glory in the highest, everybody sing
