You say with a mustard seed of faith  
That I can make a mountain move  
But sometimes I am so afraid  
Even though I know it's true

Because my faith feels just like doubt  
I don't know what to pray right now

Oh, I believe  
Please help my unbelief  
Jesus, give me grace  
To trust what I can't see

Your ways are not my own  
Some things I'll never know  
But You say, blessed are the ones who never see  
They just believe

So now with a heart full of questions  
I come to You just as I am  
All my weakness, all my fears  
All I've run from all these years  
In the middle of my doubts  
Somehow still I'm finding out

I believe  
Please help my unbelief  
Jesus, give me grace  
To trust what I can't see

Your ways are not my own  
Some things I'll never know  
But You say, blessed are the ones who never see  
They just believe

(Jesus, I believe)  
They just believe  
(Help my unbelief)  
They just believe  
(Jesus, I believe)  
They just believe  
(Help my unbelief)

When my faith feels just like doubt  
I believe, yeah, oh, I believe

Oh, I believe  
Please help my unbelief  
Jesus, give me grace  
To trust what I can't see

Your ways are not my own  
Some things I'll never know  
But You say, blessed are the ones who never see  
Oh, You say, blessed are the ones who never see  
They just believe

(Jesus, I believe)  
They just believe  
(Help my unbelief)  
They just believe  
(Jesus, I believe)  
Help me believe  
(Help my unbelief)
