I am here
With you
I am the one who is breathin'
Where are we goin'?
Nobody knows where this feeling
..Ends

I'm on fire -
I know it
I'm on fire -
I know it
I'm on fire -
I know it
I'm on fire...

Help me fall asleep tonight
With never any end in sight
Fallin' in to you
Fallin'...
I am breathin' in with you
Are you here -
With me?
Nobody knows where this feelin'
..Ends

Help me fall asleep tonight
With never any end inside - Child
Fallin' into you
Fallin'...

I'm on fire -
I know it
I'm on fire -
I know it
I'm on fire -
I know it
I'm on fire...
