One autumn you once said to me
There's too much stuff around
The bus groaned along
You put your hand upon the window
The town
And I thought
You look just fine to me
You look just fine to me
You look just fine to me
Shall we liquefy
Oh you and I
And Mingle in the stream
Shall we liquefy
Oh you and I
And vanish into the sea ?

Still sleeping you woke me up
Muttering in your dream
In darkness I could feel your
Your little body breathing
And I thought
You feel just fine to me
You feel just fine to me
You feel just fine to me
Shall we liquefy
Oh you and I
And mingle in the stream
Shall we liquefy
Oh you and I
And vanish into the sea ?

Will I always love you ?
I just don't know
I'll give it a go
Will you always love me ?
How could you know ?
Just give it a go

I was at a party
That's when it came to me
Oh what a moment

I was reading a magazine in someone's bedroom
And I thought
You're just so fine to me
You're just so fine to me
You're just so fine to me
Shall we liquefy...
