I don't want to give up now  
I think I found something this time  
I don't want to turn back now  
I think I found the right way

Tonight, tonight's the night  
I'm in love, I'm in love  
Tonight, tonight's the night  
I'm in love, I'm in love

If tomorrow proves you're a fantasy  
Release me from this memory  
Now I can't be circumspect  
Life's too short for potential regrets

Tonight, tonight's the night  
I'm in love, I'm in love  
Tonight, tonight's the night  
I'm in love, I'm in love  
Tonight, tonight's the night

I'm afraid of failin'  
I'm afraid of messin' up  
If I don't take this chance  
What's the point in livin'  
What's the point in dyin'  
If I don't take this chance  
What's the use in givin'  
What's the use in tryin'  
If I don't take this chance

Tonight, tonight's the night  
Tonight, tonight's the night  
I'm in love, I'm in love  
Tonight, tonight's the night  
I'm in love, I'm in love  
Tonight, tonight's the night
